

My beloved grandma

. I love my grandmother very much. Ever since I was born, she has taken care of me. She has taken great responsibility in bringing me up in a healthy and disciplined way. My grandmother is a very bold lady. We can learn a lot of things from her. She is a polite person who can handle any kind of situation. My grandmother cooks very well and she prepares delicious food whenever I go to my homeland. There are a lot of things that are much enjoyable with my grandmother. Since childhood, she has told me many interesting stories and taught me to do a good deed. I did everything well after she taught. one more thing She is very amazing. because she took care of me for more than 18 years. Her hard take care and love in her life have motivated me to be the same way in my life. Without my grandmother, maybe I couldn't study at PNC also. My grandmother gifts my precious books and things whenever I get high marks in the examination. She surprised me with a new computer for I didn't fail in the module this year
